

June 27, 2022

Dear Water District 34,

I regret to inform you that I have accepted another job and I will be resigning as Water District 34 Water Master. I will be starting my new position on July 11, 2022. I look forward to working with you and making this transition go as smooth as possible. I would also like to thank you for the time I spent working at the water district and for all the help I received from the Idaho Department of Water Resources, advisory board, deputy water masters and office manager to help get the water district to point it is today.

Thank you

Lucas Yockey
